- Digital Key for smartphone-based vehicle access
- Premium audio system by JBL

Design

- Sleek, futuristic exterior with aerodynamic elements
 - LED headlights and taillights
 - Optional two-tone paint and panoramic sunroof
-

Range and Efficiency

- **FWD Model:** ~252 miles on a full charge
 - **AWD Model:** ~228 miles on a full charge
-

Pricing

- **Base Model (XLE):** Starting at \$42,000
 - **Premium Trim (Limited):** Starting at \$48,000
-

Ideal Customer

- **Urban Drivers:** Ideal for city commutes with zero emissions
 - **Tech-Savvy Buyers:** Advanced tech features for a modern lifestyle
 - **Eco-Conscious Families:** Roomy interior and sustainable powertrain
-

Competitor Comparison

Toyota bZ4X vs. Tesla Model Y

- bZ4X offers a lower entry price and Toyota's legendary reliability
- Tesla Model Y provides a longer range and a more extensive charging network

Toyota bZ4X vs. Hyundai Ioniq 5

- bZ4X features Toyota Safety Sense 3.0 for superior driver assistance
- Ioniq 5 boasts faster charging capabilities and retro-inspired design

Sales Strategies

- **Promote EV Benefits:** Emphasize zero emissions and lower running costs
- **Highlight Charging Flexibility:** Showcase DC fast charging for convenience
- **Leverage Toyota Reliability:** Assure buyers of Toyota's trusted engineering in their first EV

FAQs

- **Does the bZ4X qualify for federal tax credits?**
Yes, the bZ4X may qualify for up to \$7,500 in federal tax credits, depending on eligibility
- **What is the warranty on the battery?**
Toyota offers an 8-year/100,000-mile warranty on the bZ4X battery
